Foster Agreement Contract :

The foster family fully understands that they are to act as a foster home for one or more of Earth Services animals. **The following conditions apply to fostering :**

*The animal will be kept in the house, in a fenced yard, or on the grounds of the foster home at all times. Supervision is necessary. At night, all animals will be provided with shelter.

*The animal will remain the property of Earth Services. The foster family is unable to adopt the animal out, move the animal, or adopt the animal unless it is done through Earth Services central office.

*The animal will be fed, watered and exercised appropriately.

*No prong or shock collars are to be used at anytime for the animal.

*The foster home will **not** be compensated for expenses incurred in the normal daily care of the animal.(food, water, transportation). Earth Services will be responsible for health and medical care, but only when agreed to by Earth Services **prior** to treatment. The foster family will incur charges if not cleared by Earth Services.

*Earth Services is responsible for vaccinations, heartworm testing and preventative (if applicable), altering and any prescription medications if necessary for the animal.

*The animal will be adopted to its permanent home **only** under the supervision of Earth Services Staff to a family pre-approved by Earth Services. If Earth Services requests it, adoptive families may be contacted by the foster family to make inquiries about the animal, however the name of the adoptive family and information is to be kept **private**. All contacts are to be done with **professionalism**. All decisions regarding adoptions are to be made by Earth Services central office.

*All donations connected with the adoption of the animal will be sent directly to Earth Services. Questions or problems are to be directed to Earth Services main office.

*The foster family is to accept responsibility for making arrangements to get all animals to events.

* If the animal being fostered is not working out in the foster home. Earth Services has 24 hours on a business day to find the animal a new foster home.

Earth Services is not responsible for any and all events that occur in connection with the fostering of a rescue animal. The foster family agrees to release Earth Services from any and all claims, known and unknown, in connection with the animal.

*The foster family will evaluate the animal and prepare an evaluation form. This form will be kept with the adoption package as information for the new owners.

Name of person(s) fostering _____

Address: _____
